DEPARTMENT OF DEFENSE
FREEDOM OF INFORMATION DIVISION
1155 DEFENSE PENTAGON
WASHINGTON, DC 20301-1155

Ref: 14-L-0683

Mr. John Clarke
John H. Clarke Law Office
1629 K Street, NW, Suite 300
Washington, DC 20006

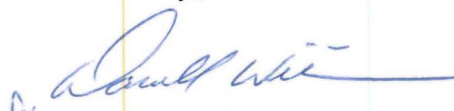

Dear Mr. Clarke:

This is the Department of Defense Freedom of Information Division, Office of Litigation Support partial response to your March 31, 2014, Freedom of Information Act (FOIA) request for records regarding the attacks on US facilities in Benghazi, Libya on September 11-12, 2012.

The appropriate DoD components located and reviewed the documents and determined that 12 out of 87 pages are denied in full and refer to a response provided to your office on 19 September 2014. Additionally, the United States European Command (EUCOM) has determined that the records responsive to your request, totaling 75 pages, are partially denied. All information withheld from release in the responsive documents are properly and currently classified and is protected from disclosure in accordance with 5 U.S.C. § 552(b)(1), in accordance with Executive Order 13526, as amended, Sections 1.4(a) military plans, weapons, or operations, (c) intelligence activities (including special activities), intelligence sources or methods, or cryptology, (d) foreign relations or foreign activities of the United States, including confidential sources and (g) vulnerabilities or capability of systems, installations, infrastructures, projects, plans or protection services relating to the national security, which includes defense against transnational terrorism. Additional information is exempt from release under 5 U.S.C. § 552(b)(3), which concerns matters specifically exempted from release by statute (in this instance 10 USC § 130b, personally identifying information regarding personnel assigned to an overseas, sensitive or routinely deployable unit); and 5 U.S.C. § 552(b)(6), which concerns material the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties.

Appellate rights are moot as your request is currently in litigation.

Sincerely,

Paul J. Jacobsmeyer
