Re: F-2014-00953; 14-cv-01589

Dear Mr. Clarke:

This letter is in response to the 24 February 2014 Freedom of Information Act (FOIA) request that you submitted on behalf of your client, Accuracy in Media, Inc., that was most recently narrowed in the Motion filed on 22 July 2016 to the following items:

“• Survivor’s accounts. Complaint ¶ 136:

3. All records generated between September 11, 2012 and the present, by survivors of the September 11th and 12th attacks on the Benghazi mission and the Benghazi CIA Annex, or by any person regarding the survivors' accounts of the attack.

This request is narrowed to specify identify only Memorandum for the Record, prepared by the Deputy Chief of Base "Events of 11-12 SEP 2012 at Benghazi Base, Libya," September 19, 2012. That record is cited on page 5, footnote 13, of the January 15, 2014. U.S. Senate Select Committee on Intelligence Review of the Terrorist Attacks on U.S. Facilities in Benghazi, Libya, September 11-12, 2012:

According to informal notes obtained from the CIA, the security team left for the Annex [sic] without the formal approval of the Chief of Base, see attachments to e-mail from CIA staff [redacted] to CIA staff [redacted] September 23, 2012. However, a Memorandum for the Record prepared by the Deputy Chief of Base specifically states that the Chief "authorized the move" and the Chief told the Committee: "We launched QRF [Quick Reaction Force] as soon as possible down to the State [Department] compound." Memorandum for the Record, "Events of 11 - 12 SEP 2012 at Benghazi Base, Libya," September 19, 2012, p. 1

- Contemporaneous records generated by CIA Director and Deputy Director. Complaint ¶ 136:

5, 6. All records of CIA Director David Petraeus" [and Deputy CIA Director Michael Morell's actions and communications for the 24-hour period beginning when first notified that the Benghazi Mission was under attack. Responsive records include:

- (1) All records generated by Director Petraeus, [and Deputy Director Morell] including all emails, memoranda, or notes;
- (2) Telephone logs or bills or other statements of all of his telephone calls placed or received; and
- (3) All records generated by anyone about the CIA Director's [and Deputy Director's] actions and communications.

These two items are narrowed to omit "telephone logs or bills" and "records generated by anyone about" the actions and communications.

#### Fourth item at issue

- Non-Disclosure Agreements. Complaint ¶ 136:

16. Non-Disclosure Agreements signed by survivors of the Benghazi attacks, including employees or contractors of the CIA or DOD."

We processed the request in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the National Security Act, 50 U.S.C. § 3141, as amended.

We completed a thorough search for records responsive to the request and located sixty nine (69) responsive documents. At this time, we have determined that forty four (44) documents can be released in segregable form with redactions made on the basis of FOIA exemptions (b)(1), (b)(3), (b)(5), and (b)(6). We have also determined that twenty three (23) documents must be denied in their entirety on the basis of FOIA exemptions (b)(1), (b)(3), (b)(5), and (b)(6). Exemption (b)(3) pertains to Section 6 of the Central Intelligence Agency Act of 1949, 50 U.S.C. § 3507, noted as exemption "(b)(3)CIAAct" on the enclosed documents, and/or Section 102A(i)(1) of the National Security Act of 1947, 50 U.S.C § 3024(i)(1), noted as exemption "(b)(3)NatSecAct" on the enclosed documents. We are still coordinating the review of two (2) documents and will release those to you once all equity holders have responded.

Sincerely,

Allison Fong  
Acting Information and Privacy Coordinator

Dear General Petraeus,

It was truly a pleasure to meet you and your wife (b)(6) on Monday evening during dinner at (b)(6)'s house, and I am absolutely thrilled that you agreed to be our speaker at the 2013 USC Veterans Appreciation Dinner. As I explained, since I began my tenure as president, this has become an annual event on the university's calendar, and a meaningful way to honor and say "thank you" to all of our veterans. It is always a very special and memorable evening.

At the event, we recognize all veterans and their spouses who are pursuing degrees at USC; the university's faculty and staff who are veterans of previous wars; our ROTC students; and faculty and staff who are currently in the reserves. The event draws more than 600 people each year, and includes performances by the Marine Corps Band from Camp Pendleton and the USC Marching Band.

To begin our preparations for next year, I would like to propose six dates for your consideration:

- Tuesday, March 12, 2013 at 6 p.m.
- Wednesday, March 13, 2013 at 6 p.m.
- Thursday, March 14, 2013 at 6 p.m.
- Tuesday, March 26, 2013 at 6 p.m.
- Wednesday, March 27, 2013 at 6 p.m.
- Thursday, March 28, 2012 at 6 p.m.

Please let me know which date works best for you, and we will move our planning forward.

General Petraeus, I very much enjoyed our conversation earlier this week, and I want to thank you for your remarkable service and contributions to our nation. With my best regards,

Yours truly,

(b)(6)

Events of 11-12 SEP 2012 at Benghazi Base, Libya

*Note all times local, approximate unless specifically noted.*

At circa 2140 hrs local 11 SEP, I was sitting in the Base SCIF working on a cable when GRS T/L [redacted] entered the SCIF and asked me to come into the (b)(3) NatSecAct [redacted] room. [redacted] advised he had just received a call from the State compound indicating they had been penetrated and were taking fire. He strongly recommended taking the available GRS personnel then on base, himself and five other personnel [redacted] I found the COB and we apprised him of the situation. He authorized the move, and began to call local security and militia contacts to render assistance to the DoS compound. At the same time, we had [redacted] be (b)(3) NatSecAct to advise COS Tripoli and HQS of the evolving situation. The six GRS officers and the Base linguist departed Base at circa 2150. Base continued to maintain contact with ARSO personnel (b)(6) who reported he was with the Ambassador, an (b)(6) who was in the TOC. Calls from (b)(6) in the compound became increasingly urgent as the GRS team was enroute, noting the main building had been set on fire (b)(3) NatSecAct and smoke/heat conditions were becoming increasingly difficult.

[redacted] to assist. Circa 15-20 minutes after the GRS departed base, one of the ARSOs (b)(6) advised via radio he had been separated from the Ambassador. The GRS T/L copied this transmission, and shortly thereafter we heard via radio he had initiated a search with GRS personnel of building C in the mission. Various other reports via radio indicated the GRS team was taking fire, and moving to locate RSO personnel. The GRS T/L radioed base approximately one hour after their departure from Base to advise they had located all ARSOs, one other State employee who was KIA, but could not locate the Ambassador despite multiple searches. They advised they were returning to

Base. ARSOs, in a separate vehicle, called base shortly thereafter to advise they were inbound to Base, and had taken heavy fire nearby the Mission. Personnel on the base prepared for their arrival, and received them shortly before 2200. The ARSO vehicle had obviously taken heavy gunfire. [redacted] (b)(1) One ARSC (b)(6) suffered serious smoke inhalation, and another (b)(6) had a severe gash in his left arm. GRS officer [redacted] who had arrived back at base at circa 2230 and other Base personnel initiated treatment of (b)(6) wound, cleaning and bandaging it. Base did not have O2 available to provide (b)(6) to assist with his smoke inhalation. The GRS team arrived shortly thereafter.

Shortly before 0000 12 SEP, Base began taking fire which was returned by GRS. After this initial attack, which lasted for 15-20 minutes, petering out into sporadic gunfire, the GRS T/L recommended to COB that Base personnel prepare for evacuation of the compound. By this point, Base had been advised by Tripoli that they had chartered an aircraft and were deploying four GRS and two TF operators to Benghazi.

At several other points during the night Base took fire from surrounding areas. Efforts continued by COB, [redacted] and [redacted] to determine who was behind the attacks against the Mission, to determine the location of the Ambassador, and to secure security assistance for the Base. By this point we were coordinating ISR coverage of the area around the base attempting to identify the source of the attacks. This proved to be of limited utility in identifying specific threats. At circa 0200 Base was advised the GRS / TF group from Tripoli had arrived at Benghazi airport, but were unable to secure transportation. GRS at Base were resupplied, and positions were rotated. ARSC (b)(6) pinned GRS on the roof of one of the Base buildings, while ARSO (b)(6) maintained contact with DoS Washington, and (b)(6) attempted to recover from smoke inhalation (b)(6) was close to losing consciousness at several points in the evening, and Base officers stayed close by him to ensure he was getting fluids and staying awake. After about 3.5 hours he appeared to recover to the point he was sitting upright and was more alert. ARSC (b)(6) and (b)(6) TDY with the Ambassador from Tripoli, also assisted with Base defensive positions.

Sometime after 0330 hrs Base GRS T/L was advised, and conveyed to COB and I, that the Tripoli GRS/TF officers had secured transportation and were enroute to Base. At this point, Base had not received fire for circa 90 minutes.

In the midst of these discussions, 15-20 minutes after the Tripoli GRS/TF team arrived, Base came under attack again from what I later learned was mortar fire. I heard several explosions which became increasingly louder culminating in two very loud explosions which were direct hits on Building 3

Within two-three minutes of this attack, (b)(6) was carried into the main interior room of Building 3 with a chest wound, and severe wounds to his arms. He was suffering additional wounds to his legs from shrapnel fragments. I and other Base personnel initiated first aid, which was assisted and directed by Tripoli GRS officer [redacted]. After treating (b)(6) immediate wounds and providing morphine, he was moved to a couch and ARSO (b)(6) who had been on the roof of Building 3 with (b)(6) was brought into the same room suffering from a severe wound.

(b)(3) CIAAct [redacted] myself and two of the RSOs attempted to address (b)(6) injuries. [redacted] started a plasma (b)(6) IV, and we provide (b)(6) with two morphine shots about 10 minutes apart. [redacted] (b)(6) (b)(6) It was clear (b)(6) was bordering on shock, and had lost a significant amount of blood. We continued to treat both injured officers for approximately one hour while security for the move was coordinated.

Shortly after the mortar attack it was decided all personnel would evacuate the Base as soon as possible.

COMMENT: Without the efforts of the Benghazi GRS contingent to enter the DoS compound and recover the personnel there, I have no doubt the surviving ARSOs would have

been killed or taken captive. The actions of the six Base GRS personnel, who entered this situation without hesitation and with the full knowledge they were outnumbered and out-gunned, was a heroic action. This team's professionalism in recovering successfully the ARSO personnel, conducting repeated searches for the Ambassador in extremely hazardous conditions, entering a building fully involved in smoke and fire while taking fire, was an incredible act of bravery. This same group then established effective, sustained defense against superior forces attempting to attack our Base, and deterred these attacks successfully. GRS T/L

(b)(3) CIAAct [REDACTED] conduct throughout the 11-12 SEP recovery operation and subsequent attacks  
(b)(6) was exemplary.

The actions of the GRS/TF team from Tripoli were also exemplary, and enabled us to successfully and in a controlled manner evacuate from our compound [REDACTED]

(b)(1)

(b)(3) NatSecAct  
(b)(6)

Finally, all members of the Base staff performed to the highest possible level, continuing to collect intelligence, provide reporting, attend to the wounded, account for sensitive equipment and funds, support base defense, and successfully execute destruction procedures. There were no/no examples of officers panicking or losing composure, even following the mortar attack. It was a privilege to serve with this team of officers.

Classification: UNCLASSIFIED//~~FOUO~~

Director -The National September 11 Memorial and Museum has invited you to participate in a video project designed to capture personal reflections on the enduring impacts of those terrorist attacks. Reflecting on 9/11 will be a curated selection of commentary--by government officials, survivors, family members of victims, historians, public figures, journalists, members of the armed forces, and ordinary citizens--that explores questions raised in the wake of the attacks. It will be a barometer for measuring shifts in the perception of 9/11 over time, with new reflections added continuously.

The museum is asking you to join the inaugural group of about 60 interviewees. The museum leadership notes that you assumed leadership of the CIA just days before the tenth anniversary of the 9/11 attacks, at a time when our nation was engaged in deep debate about whether and how the world had changed since that day. They would like you to talk perspective on this as well as how it has been shaped by your military experience. They are particularly interested in your thoughts on why 9/11 occurred, how we might prevent similar attacks on the United States, and how to balance a responsibility to combatting terrorism with a commitment to upholding civil liberties.

Taping would take place in October or November.

If you are interested in participating, I will run this by the White House. Thanks, (b)(6)

Please make sure EVERYONE knows that Bill Burns just called me to say thank you to our folks in Benghazi and Tripoli. He said their actions saved lives and, based on what he has heard, were nothing short of heroic. He said he was not surprised by our actions, given what he has seen from us over the years. He also offered condolences for our fallen. In return, I said that we see ourselves as one team and that's the way our officers reacted to the situation at the Consulate. I also offered condolences to State on the loss of their officers.

SUBJECT: Message from the Director: Loss of Two Colleagues in Libya

----- BODY -----

~~(S//NF)~~ It is with deep sorrow that I pass along the news that two members of our Agency family perished overnight while serving in Benghazi, with a third colleague seriously injured and under medical care. I cannot share their names with you because we are still in the process of notifying the families, but we will do so as soon as possible so that our Agency can honor our fallen and celebrate their lives.

[REDACTED] (b)(1)  
[REDACTED] (b)(3) NatSecAct

~~(S//NF)~~ Our people were killed in the same violence that claimed the life of Ambassador Christopher Stevens, an exceptionally accomplished diplomat with whom I had the pleasure of working on several occasions, as well as the life of another Department of State officer, Sean Smith. We cannot yet confirm the identity of those responsible, but we and our partner agencies are investigating every aspect of this tragic incident.

~~(S//NF)~~ The President, his Chief of Staff, and the National Security Advisor all have called me this morning to express their condolences and to laud the bravery and heroism of these members of our CIA family, who have given the last full measure of devotion to our country. They and their loved ones are in our thoughts and prayers, as is our wounded colleague and his family. We offer them all our deepest gratitude and steadfast support in this difficult hour.

**SECREC Y AGREEMENT**

(b)(3) CIAAct

(b)(6)

1. I, \_\_\_\_\_ (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.

b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

~~Secret//NOFORN~~

~~SECRET//NOFORN~~

9 I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10 I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 13526, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act of 1989 (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 *et seq.*) (governing disclosures that could expose confidential Government agents), sections 7(c) and 8H of the Inspector General Act of 1978 (5 U.S.C. App.) (relating to disclosures to an inspector general, the inspectors general of the Intelligence Community, and Congress); section 103H(g)(3) of the National Security Act of 1947 (50 U.S.C. 403-3h(g)(3) (relating to disclosures to the inspector general of the Intelligence Community); sections 17(d)(5) and 17(e)(3) of the Central Intelligence Agency Act of 1949 (50 U.S.C. 403q(d)(5) and 403q(e)(3)) (relating to disclosures to the Inspector General of the Central Intelligence Agency and Congress); and the statutes which protect against disclosure that may compromise the national security, including sections 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Control Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P L. 97-200; 50 U.S.C., 421 *et seq.*).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force

18. I make this agreement in good faith and with no purpose of evasion.

**SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT**

An agreement between (b)(3) CIAAct (b)(6) and the United States.  
(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.
3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.
4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.
5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.
6. I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.
7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.
8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.
9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.
10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

**SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT**

An agreement between (b)(3) CIAAct (b)(6) and the United States.  
(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.
3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.
4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.
5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.
6. I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.
7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.
8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.
9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.
10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT

An Agreement Between (b)(6) and the United States

(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in the process of a classification determination under standards of Executive Order 12356 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.

2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI, I further understand that all my obligations under this Agreement continue to exist whether or not I am required to sign such subsequent agreements.

3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be SCI, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.

4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation to any person not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 days from date of receipt.

6. I have been advised that any breach of this Agreement may result in the termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including the provisions of Section 793, 794, 798, and 952 Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorney fees incurred by the United States Government may be assessed against me if I lose such action.

8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to SCI, and at all time thereafter.

10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions or obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

11. I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. I acknowledge that the briefing officer has made available Sections 793, 794, 798, and 952 of Title 18, United States Code, and Section 783(b) of Title 50, United States Code, and Executive Order 12356, as amended, so that I may read them at this time, if I so choose.

12. I hereby assign to the United States Government all rights, title and interest, and all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation not consistent with the terms of this Agreement.

13. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12356; section 7211 of title 5, United States Code (governing disclosures to congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to congress by members of the military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 USC 421 et seq.) The definitions, requirements, obligations, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

14. This Agreement shall be interpreted under and in conformance with the law of the United States.

## SECURITY AGREEMENT

(b)(3) CIAAct

(b)(6)

1. I, \_\_\_\_\_ (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.

b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations, rights or liabilities created by Executive Order 13526, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act of 1989 (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 *et seq.*) (governing disclosures that could expose confidential Government agents), sections 7(c) and 8H of the Inspector General Act of 1978 (5 U.S.C. App.) (relating to disclosures to an inspector general, the inspectors general of the Intelligence Community, and Congress); section 103H(g)(3) of the National Security Act of 1947 (50 U.S.C. 403-3h(g)(3) (relating to disclosures to the inspector general of the Intelligence Community); sections 17(d)(5) and 17(e)(3) of the Central Intelligence Agency Act of 1949 (50 U.S.C. 403q(d)(5) and 403q(e)(3)) (relating to disclosures to the Inspector General of the Central Intelligence Agency and Congress); and the statutes which protect against disclosure that may compromise the national security, including sections 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Control Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C.; 421 *et seq.*).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.

19. This agreement shall be interpreted under and in conformance with the law of the United States.

## SECURITY AGREEMENT

(b)(3) CIAAct

(b)(6)

1. I, \_\_\_\_\_ (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.
2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.
3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:
  - a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.
  - b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.
4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.
5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.
6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.
7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.
8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

**SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT**

An Agreement Between

(b)(3) CIAAct  
(b)(6)

and the United States.

*(Name - Printed or Typed)*

1 Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in the Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive Order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.

2 I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.

3 I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be SCI. I further understand that I am obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.

4 In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to be submitted for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

5 I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.

6 I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(h), Title 50, United States Code. Nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

7 I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.

8 I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand that this may be a violation of Section 793, Title 18, United States Code.

9 Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.

10 Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

(b)(3) CIAAct

11 I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. I acknowledge that the briefing officer has made available Sections 793, 794, 798 and 952 of Title 18, United States Code, and Section 783(b) of Title 50, United States Code, and Executive Order 12958, as amended, so that I may read them at this time, if I so choose.

12 I hereby assign to the United States Government all rights, title and interest, and all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation not consistent with the terms of this Agreement.

13 These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12958; Section 7211 of Title 5, United States Code (governing disclosures to Congress), Section 1034 of Title 10, United States Code, as amended by the Military Whistleblowers Protection Act (governing disclosures to Congress by members of the Military), Section 2302(b)(8) of Title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosure of illegality, waste, fraud, abuse, or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C. 421 et seq.) (governing disclosures that could expose confidential Government agents), and the statutes which protect agent disclosure which may compromise national security, including Section 641, 793, 794, 798, and 952 of Title 18, United States Code, and Section 4(b) of the Subversive Activities Act of 1950 (50 U.S.C. 783(b)). The definitions, requirements, obligations, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

14 This Agreement shall be interpreted under and in conformance with the law of the United States.

15 I make this Agreement without any mental reservation or purpose of evasion.

I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.

2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.

3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.

4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.

6. I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 962, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.

8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.

10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

**SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT**

An Agreement Between (b)(3) CIA Act  
(b)(6) and the United States  
(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in the process of a classification determination under the standards of Executive Order 12356 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this Agreement continue to exist whether or not I am required to sign such subsequent agreements.
3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be SCI, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.
4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation to any person not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.
5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.
6. I have been advised that any breach of this Agreement may result in the termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including the provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.
7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.
8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.
9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.
10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.
11. I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. I acknowledge that the briefing officer has made available Sections 793, 794, 798, and 952 of Title 18, United States Code, and Section 783(b) of Title 50, United States Code, and Executive Order 12356, as amended, so that I may read them at this time, if I so choose.

13. This Agreement shall be interpreted under and in conformance with the law of the United States.

(b)(6)

1. I, \_\_\_\_\_ (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.
2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.
3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:
  - a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.
  - b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.
4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.
5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.
6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.
7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.
8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 13526, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act of 1989 (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 et seq.) (governing disclosures that could expose confidential Government agents), sections 7(c) and 8H of the Inspector General Act of 1978 (5 U.S.C. App.) (relating to disclosures to an Inspector General, the Inspectors General of the Intelligence Community, and Congress); section 103H(g)(3) of the National Security Act of 1947 (50 U.S.C. 403-3h(g)(3)) (relating to disclosures to the Inspector General of the Intelligence Community); sections 17(d)(5) and 17(e)(3) of the Central Intelligence Agency Act of 1949 (50 U.S.C. 403q(d)(5) and 403q(e)(3)) (relating to disclosures to the Inspector General of the Central Intelligence Agency and Congress); and the statutes which protect against disclosure that may compromise the national security, including sections 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Control Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C., 421 et seq.).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.

(U) SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT

An Agreement between (b)(6) and the United States.

1. (U) Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 13526 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.

2. (U) I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.

3. (U) I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.

4. (U) In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or show it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

5. (U) I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.

6. (U) I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

7. (U) I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorney's fees incurred by the United States Government may be assessed against me if I lose such action.

8. (U) I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

9. (U) Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.

I acknowledge that the briefing officer has made available Sections 793, 794, 798 and 952 of Title 18, United States Code, and Section 783(b) of Title 50, United States Code, and Executive Order 13526, as amended, so that I may read them at this time, if I so choose.

SECRETY AGREEMENT

(b)(3) CIAAct

(b)(6)

1. I, [redacted] (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

- a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.
- b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

(b)(3) CIAAct

(b)(6)

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 13526, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act of 1989 (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 et seq.) (governing disclosures that could expose confidential Government agents), sections 7(c) and 8H of the Inspector General Act of 1978 (5 U.S.C. App.) (relating to disclosures to an inspector general, the inspectors general of the Intelligence Community, and Congress); section 103H(g)(3) of the National Security Act of 1947 (50 U.S.C. 403-3h(g)(3) (relating to disclosures to the inspector general of the Intelligence Community); sections 17(d)(5) and 17(e)(3) of the Central Intelligence Agency Act of 1949 (50 U.S.C. 403q(d)(5) and 403q(e)(3)) (relating to disclosures to the Inspector General of the Central Intelligence Agency and Congress); and the statutes which protect against disclosure that may compromise the national security, including sections 841, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Control Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C., 421 et seq.).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.

**SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT**

An agreement between (b)(3) CIAAct and the United States.  
(b)(6)  
*(Name - Printed or Typed)*

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.

2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.

3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.

4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.

6. I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.

8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.

10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

12. I hereby assign to the United States Government all rights, title and interest, and all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation not consistent with the terms of this Agreement.

13. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12958; Section 7211 of Title 5, United States Code (governing disclosures to Congress); Section 1034 of Title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosures to Congress by members of the Military); Section 2302(b)(8) of Title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosure of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 USC 421 et seq.) Section 783(b)). The definitions, requirements, obligations, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

14. This Agreement shall be interpreted under and in conformance with the law of the United States.

15. I make this Agreement without any mental reservation or purpose of evasion.

(b)(6)**SECURITY AGREEMENT**

1. I, \_\_\_\_\_ (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 12958 as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.

b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 12958, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 et seq.) (governing disclosures that could expose confidential Government agents), and the statutes which protect against disclosure that may compromise the national security, including section 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C., 421 et seq.).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.

19. This agreement shall be interpreted under and in conformance with the law of the United States.

SECURITY INFORMATION (b)(3) CIAAct

**SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT**

An agreement between

(b)(3) CIAAct  
(b)(6)

and the United States.

(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 12958 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.

2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.

3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.

4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or showing it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.

6. I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.

8. I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.

10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

(b)(6) of individual — ~~Printed or typed~~

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to classified information. As used in this Agreement, classified information is marked or unmarked classified information, including oral communications, that is classified under the standards of Executive Order 12958, or under any other Executive order or statute that prohibits the unauthorized disclosure of information in the interest of national security, and unclassified information that meets the standards for classification and is in the process of a classification determination as provided in Sections 1.1, 1.2, 1.3 and 1.4(a) of Executive Order 12958, or under any other Executive order or statute that requires protection for such information in the interest of national security. I understand and accept that by being granted access to classified information, special confidence and trust shall be placed in me by the United States Government.

2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of classified information, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information have been approved for access to it, and that I understand these procedures.

3. I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of classified information by me could cause damage or irreparable injury to the United States or could be used to advantage by a foreign nation. I hereby agree that I will never divulge classified information to anyone unless: (a) I have officially verified that the recipient has been properly authorized by the United States Government to receive it; or (b) I have been given prior written notice of authorization from the United States Government Department or Agency (hereinafter Department or Agency) responsible for the classification of information or last granting me a security clearance that such disclosure is permitted. I understand that if I am uncertain about the classification status of information, I am required to confirm from an authorized official that the information is unclassified before I may disclose it, except to a person as provided in (a) or (b), above. I further understand that I am obligated to comply with laws and regulations that prohibit the unauthorized disclosure of classified information.

4. I have been advised that any breach of this Agreement may result in the termination of any security clearance I hold; removal from any position of special confidence and trust requiring such clearance; or termination of my employment or other relationships with the Departments or Agencies that granted my security clearance or clearances. In addition, I have been advised that any unauthorized disclosure of classified information by me may constitute a violation, or violations, of United States criminal laws, including the provisions of Sections 641, 793, 794, 798, 962 and 1024, Title 18, United States Code, the provisions of Section 793(b), Title 50, United States Code, and the provisions of the Intelligence Identities Protection Act of 1952. I recognize that nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

5. I hereby assign to the United States Government all royalties, remunerations, and emoluments that have resulted, will result or may result from any disclosure, publication or revelation of classified information not consistent with the terms of this Agreement.

6. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement.

7. I understand that all classified information to which I have access or may obtain access by signing this Agreement is now and will remain the property of, or under the control of the United States Government unless and until otherwise determined by an authorized official or final ruling of a court of law. I agree that I shall return all classified materials which have, or may come into my possession or for which I am responsible because of such access: (a) upon demand by an authorized representative of the United States Government; (b) upon the conclusion of my employment or other relationship with the Department or Agency that last granted me a security clearance or that provided me access to classified information; or (c) upon the conclusion of my employment or other relationship that requires access to classified information. If I do not return such materials upon request, I understand that this may be a violation of Sections 793 and/or 1024, Title 18, United States Code, a United States criminal law.

8. Unless and until I am released in writing by an authorized representative of the United States Government, I understand that all conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to classified information, and at all times thereafter.

9. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect.

(Continue on reverse.)

10. These restrictions are consistent with and do not supersede, conflict with or otherwise alter the employee obligations, rights or liabilities created by Executive Order 12958, Section 7211 of Title 5, United States Code (governing disclosures to Congress); Section 1034 of Title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosures to Congress by members of the military); Section 2302(b) (8) of Title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C. 421 et seq.) **SECURITY AGREEMENT**

(b)(3) CIAAct

(b)(6)

1.  (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.
2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.
3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:
  - a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.
  - b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.
4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.
5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.
6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.
7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.
8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations, rights or liabilities created by Executive Order 13526, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act of 1989 (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 et seq.) (governing disclosures that could expose confidential Government agents), sections 7(c) and 8H of the Inspector General Act of 1978 (5 U.S.C. App.) (relating to disclosures to an Inspector general, the inspectors general of the Intelligence Community, and Congress); section 1034(g)(3) of the National Security Act of 1947 (50 U.S.C. 403-3h(g)(3)) (relating to disclosures to the inspector general of the Intelligence Community); sections 17(d)(5) and 17(e)(3) of the Central Intelligence Agency Act of 1949 (50 U.S.C. 403q(d)(5) and 403q(e)(3)) (relating to disclosures to the Inspector General of the Central Intelligence Agency and Congress); and the statutes which protect against disclosure that may compromise the national security, including sections 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Control Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C., 421 et seq.).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.

19. This agreement shall be interpreted under and in conformance with the law of the United States.

1. I,  (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.
2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.
3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:
- a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.
  - b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.
6. 1. I, \_\_\_\_\_ (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.

2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.

3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:

a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.

b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.

4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.

5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.

6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.

7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.

8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material in any form that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 13526, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act of 1989 (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 et seq.) (governing disclosures that could expose confidential Government agents), sections 7(c) and 8H of the Inspector General Act of 1978 (5 U.S.C. App.) (relating to disclosures to an inspector general, the inspectors general of the Intelligence Community, and Congress); section 103H(g)(3) of the National Security Act of 1947 (50 U.S.C. 403-3h(g)(3)) (relating to disclosures to the inspector general of the Intelligence Community); sections 17(d)(5) and 17(e)(3) of the Central Intelligence Agency Act of 1949 (50 U.S.C. 403q(d)(5) and 403q(e)(3)) (relating to disclosures to the Inspector General of the Central Intelligence Agency and Congress); and the statutes which protect against disclosure that may compromise the national security, including sections 641, 793, 794, 798, and 952 of title 18, United States Code, and section 4(b) of the Subversive Activities Control Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200, 50 U.S.C., 421 et seq.).

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.

19. This agreement shall be interpreted under and in conformance with the law of the United States.

(U) SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT

An Agreement between

(b)(3) CIAAct  
(b)(6)

and the United States.

1. (U) Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or is in process of a classification determination under the standards of Executive Order 13526 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.

2. (U) I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information or material have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this agreement continue to exist whether or not I am required to sign such subsequent agreements.

3. (U) I have been advised that the unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.

4. (U) In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such preparations for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation with, or show it to, anyone who is not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.

5. (U) I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 sets forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon it, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.

6. (U) I have been advised that any breach of this Agreement may result in my termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including provisions of Sections 793, 794, 796, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.

7. (U) I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorney's fees incurred by the United States Government may be assessed against me if I lose such action.

8. (U) I understand that all information to which I may obtain access by signing this Agreement is now and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

9. (U) Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed on me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.

10. (U) Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other

I,  (print full name), hereby agree to accept as a prior condition of my being employed by, or otherwise retained to perform services for, the Central Intelligence Agency, or for staff elements of the Director, Central Intelligence (hereinafter collectively referred to as the "Central Intelligence Agency"), the obligations contained in this agreement.
2. I understand that in the course of my employment or other service with the Central Intelligence Agency I may be given access to information or material that is classified or is in the process of a classification determination in accordance with the standards set forth in Executive Order 13526 (75 Fed. Reg. 707), or any successor thereto as amended or superseded, or other applicable Executive order, that if disclosed in an unauthorized manner would jeopardize intelligence activities of the United States Government. I accept that by being granted access to such information or material I will be placed in a position of special confidence and trust and will become obligated to protect the information and/or material from unauthorized disclosure.
3. In consideration of being employed or otherwise retained to provide services to the Central Intelligence Agency, I hereby agree that I will never disclose in any form or manner, to any person not authorized by the Central Intelligence Agency to receive it, any information or material in either of the following categories:
- a. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that is marked as classified or that I know is classified.
  - b. information or material received or obtained in the course of my employment or other service with the Central Intelligence Agency that I know is in the process of a classification determination.
4. I understand that it is my responsibility to consult with appropriate management authorities in the component or Directorate that employs me or has retained my services, or with the Central Intelligence Agency's Publications Review Board if I am no longer employed or associated with the Agency, in order to ensure that I know 1) whether information or material within my knowledge or control that I have reason to believe might be in either of the categories set forth in paragraph 3 is considered by the Central Intelligence Agency to fit in either of those categories; and 2) whom the Agency has authorized to receive such information or material.
5. As a further condition of the special confidence and trust reposed in me by the Central Intelligence Agency, I hereby agree to submit for review by the Central Intelligence Agency any writing or other preparation in any form, including a work of fiction, which contains any mention of intelligence data or activities, or contains any other information or material that might be based on either of the categories set forth in paragraph 3, that I contemplate disclosing publicly or that I have actually prepared for public disclosure, either during my employment or other service with the Central Intelligence Agency or at any time thereafter, prior to discussing it with or showing it to anyone who is not authorized to have access to the categories set forth in paragraph 3. I further agree that I will not take any steps towards public disclosure until I have received written permission to do so from the Central Intelligence Agency.
6. I understand that the purpose of the review described in paragraph 5 is to give the Central Intelligence Agency an opportunity to determine whether the information or material that I contemplate disclosing publicly contains any information or material that I have agreed not to disclose. I further understand that the Agency will act upon my submission and make a response to me within a reasonable period of time. I further understand that if I dispute the Agency's initial determination on the basis that the information or material in question derives from public sources, I may be called upon to specifically identify such sources. My failure or refusal to do so may by itself result in denial of permission to publish or otherwise disclose the information or material in dispute.
7. I understand that all information or material that I may acquire in the course of my employment or other service with the Central Intelligence Agency that fits either of the categories set forth in paragraph 3 of this agreement are and will remain the property of the United States Government unless and until otherwise determined by an appropriate official or final ruling of a court of law. I agree to surrender anything constituting, containing or reflecting such information or material upon demand by an appropriate official of the Central Intelligence Agency, or upon conclusion of my employment or other service with the Central Intelligence Agency.
8. I agree to notify the Central Intelligence Agency immediately in the event that I am called upon by judicial or congressional authorities, or by specially established investigatory bodies of the executive branch, to testify about, or provide, information or material that I have agreed herein not to disclose. In any communication with any such authority or body, I shall observe all applicable rules or procedures for ensuring that such information and/or material is handled in a secure manner.

9. I understand that nothing contained in this agreement prohibits me from reporting intelligence activities that I consider to be unlawful or improper directly to the Intelligence Oversight Board established by the President, or to any successor body that the President may establish, or to the Select Committee on Intelligence of the House of Representatives or the Senate. I recognize that there are also established procedures for bringing such matters to the attention of the Agency's Inspector General or to the Director, Central Intelligence. In making any report referred to in this paragraph, I will observe all applicable rules or procedures for ensuring the secure handling of any information or material that may be involved. I understand that any such information or material continues to be subject to this agreement for all other purposes and that such reporting does not constitute public disclosure or declassification of that information or material.

10. I understand that any breach of this agreement by me may result in the Central Intelligence Agency taking administrative action against me, which can include temporary loss of pay or termination of my employment or other service with the Central Intelligence Agency. I also understand that if I violate the terms of this agreement, the United States Government may institute a civil proceeding to seek compensatory damages or other appropriate relief. Further, I understand that the disclosure of information that I have agreed herein not to disclose can, in some circumstances, constitute a criminal offense.

11. I understand that the United States Government may, prior to any unauthorized disclosure that is threatened by me, choose to apply to any appropriate court for an order enforcing this agreement. Nothing in this agreement constitutes a waiver on the part of the United States to institute a civil or criminal proceeding for any breach in this agreement by me. Nothing in this agreement constitutes a waiver on my part of any possible defenses I may have in connection with either civil or criminal proceedings that may be brought against me.

12. In addition to any other remedy to which the United States Government may become entitled, I hereby assign to the United States Government all rights, title, and interest in any and all royalties, remunerations and emoluments that have resulted or will result or may result from any divulgence, publication or revelation of information or material by me that is carried out in breach of paragraph 5 of this agreement or that involves information or material prohibited from disclosure by the terms of this agreement.

13. I understand and accept that, unless I am provided a written release from this agreement or any portion of it by the Director, Central Intelligence or the Director's representative, all the conditions and obligations accepted by me in this agreement apply both during my employment or other service with the Central Intelligence Agency, and at all times thereafter.

14. I understand that the purpose of this agreement is to implement the responsibilities of the Director, Central Intelligence, particularly the responsibility to protect intelligence sources and methods, as specified in the National Security Act of 1947, as amended.

15. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations rights or liabilities created by Executive Order 13526, section 7211 of title 5, United States Code (governing disclosures to Congress); section 1034 of title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the Military); section 2302(b)(8) of title 5, United States Code, as amended by the Whistleblower Protection Act of 1989 (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C., 421 et seq.) (governing disclosures that could expose confidential Government agents), sections 7(c) and 8H of the Inspector General Act of 1978 (5 U.S.C. App.) (relating to disclosures to an Inspector General, the inspectors general of the Intelligence Community, and Congress); section 103H(g)(3) of the National Security Act of 1947 (50 U.S.C. 403-3h(g)(3) (relating to disclosures to the Inspector General of the Intelligence Community); sections 17(d)(5) and 17(e)(3) of the Central Intelligence Agency Act of 1949 (50 U.S.C. 403q(d)(5) and 403q(e)(3)) (relating to disclosures to the Inspector General of the Central Intelligence Agency and Congress); and the statutes which protect against disclosure that may compromise the national security, including sections 841, 793, 794, 798, and 852 of title 18, United States Code, and section 4(b) of the Subversive Activities Control Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligation, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

16. I understand that nothing in this agreement limits or otherwise affects any provision of criminal or other law that may be applicable to the unauthorized disclosure of classified information, including the espionage laws (sections 793, 794 and 798 of title 18, United States Code) and the Intelligence Identities Protection Act of 1982 (P.L. 97-200; 50 U.S.C., 421 et seq.)

17. Each of the numbered paragraphs and lettered subparagraphs of this agreement is severable. If a court should find any of the paragraphs or subparagraphs of this agreement to be unenforceable, I understand that all remaining provisions will continue in full force.

18. I make this agreement in good faith and with no purpose of evasion.
