Hi John,

As mentioned last week, attached is the call-log bates labeled C05935290 that State is re-releasing without one of the B(6)redactions. The names of two family members of victims of the Benghazi attack are still redacted; the name of one another individual with whom Secretary Clinton conversed on September 12, 2012, is now unredacted.

Also, attached is a discretionary release in response to Plaintiffs' request for records reflecting Secretary Clinton's actions and communications during the 24-hour period in which she received notice of the attack in Benghazi. These calendar entries are released in full.

Please let me know whether you have any questions.

Thanks!
Tamra

United States Department of State

Washington, D.C. 20520

May 7, 2018

Case No.: F-2014-03625

John H. Clarke, Esq.
1629 K Street, N.W., Suite 300
Washington, D.C. 20006

Dear Mr. Clarke,

I refer you to our letter dated October 20, 2017, regarding the release of certain Department of State material under the Freedom of Information Act (the "FOIA"), 5 U.S.C. § 552.

The Department has identified two additional documents responsive to your request, both of which may be released in full. In addition, upon further review, the Department has decided to make a discretionary release of information previously withheld in two documents. All released material is enclosed.

Where documents are released in part, all non-exempt material that is reasonably segregable from the exempt material has been released. Where we have made excisions, the applicable exemptions are marked on each document. An enclosure provides information on FOIA exemptions and other grounds for withholding material.

If you have any questions, you may contact Trial Attorney Tamra Moore at (202) 305-8628 or at Tamra.Moore@usdoj.gov.

Sincerely,

A handwritten signature in cursive script that reads "Eric F. Stein for".

Eric F. Stein, Director
Office of Information Programs and Services

Enclosures: As stated
