2- the liberating forces of the people of the area, killed and or destroyed food supplies and the companies of the 1st Army Main Force destroyed many sacrificial towers, wiping out or capturing nearly 500 enemy troops including 100 officers. They also shot down or destroyed nearly 10 aircraft; destroyed or damaged more than 100 vehicles, and burnt down many logistic depots and other war material of the enemy.

*Obviously, these victories have further ruined the 'Vietnamization' program of the U.S. in this region of prime importance for them," the paper stressed.
