The Honorable John F. Kerry
Chairman
Select Committee on POW/MIA Affairs
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

The Director has asked me to convey to you his deep interest in the resolution of the POW/MIA issue and his pledge of full cooperation from the Intelligence Community. He has also asked me to respond to your letter of November 19, 1991, on the POW/MIA issue.

It has been Agency practice to provide all relevant information on POW/MIA's to the Defense Intelligence Agency (DIA), and this information should be available in their files. In response to your request, we are undertaking a review of all files held by the Agency which bear on this issue to ensure that all pertinent data has been passed to DIA. If we find additional information, we will promptly pass it to DIA and immediately inform the Committee when this is done. This will ensure that this data is available to your Committee.

Enclosed is a list of former Chiefs of Station from the countries you requested. The list also includes the names of former Chiefs of Station [REDACTED] as you separately requested of Deputy Director for Operations, Thomas Twetten. We will facilitate contacting any of these officers, most of whom are retired.

The Director has asked me to serve as the point of contact for your Committee. I look forward to working with you on this issue. Please advise if there is any way the Agency can be of further assistance.

OFFICE OF SENATE SECURITY

Sincerely,
