6 January 1981 Memorandum [redacted]

" the same person reported this information had been confirmed to her personally by the [redacted]

[redacted] that the prisoners were being held in central Laos near the town of [redacted]."

"...Analysis of further [redacted] of 30 December 1980 located what appears to be the number [redacted], possibly followed by the letter [redacted]. DIA is unable to ascribe any particular significance to the number, but [redacted] was given to U.S. pilots as a ground distress signal."
