The Honorable John F. Kerry
Chairman
Select Committee on POW/MIA Affairs
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

This is in response to your letter of December 20, 1991 which requested copies of CIA Intelligence Reports on "live sightings" in Laos after January 27, 1973. We are providing those reports we have identified in this category and are continuing to review our archives to ensure we fully satisfy your request.

Tab A and B are two different forms of CIA reports which were disseminated to Intelligence Community members concerned with POW/MIA affairs. We have declassified these reports for the use of the Committee.

Tab C contains intelligence reports which were sent exclusively to the Defense Intelligence Agency for intelligence and operational purposes. Although we have redacted certain source information, these documents remain classified.

Tab D contains the documents requested by Mr. Dino Carluccio. These documents have been redacted but remain classified. One of the documents requested by Mr. Carluccio, [redacted] April 87, was found to be a fabrication. As a result, a Fabrication Notice was issued on July 9, 1987 stating that the source of the report deliberately provided false and misleading information. A copy of the notice is included as part of Tab D.
