We have reviewed for declassification several of the depositions made to the Senate Select Committee on POW-MIA Affairs by former and current CIA employees, and

Of those at hand (sent to the Committee on October 13, 1992), Mr. George Carver's deposition was declassified after we made a few deletions to protect sources and methods. We will, of course, advise you promptly of the results of our review of any future depositions of other Agency officers as they become available to us.

Sincerely,
