

(b)(1)
(b)(3)

14 November 80 From: [redacted] To: Director CIA [redacted]

"group of POWs consists of approximately 30 Americans, all pilots, currently constructing a road near [redacted]"

"The officer in charge agreed to engineer their escape and that the entire Lao unit wishes to defect to Thailand."

[redacted] Comment: "Plan to instruct [redacted] to stand down on any plans to have the POWs escape, [redacted] has other views, and that priority must be given to positively confirming the existence of the POWs with a list of names and the exact location." [redacted]
