DEFENDANT’S STATUS REPORT

The Central Intelligence Agency (“CIA”), respectfully submits the following status report to update the Court on the progression of the parties’ attempts to advance this matter to, what the CIA believes should be, the final dispositive motions briefing stage.

Recently, the Plaintiffs requested that the Agency reprocess the “released in part records” so that they can better identify the 100 documents for the Agency to address in its *Vaughn* index. The CIA has accepted the request and expects to complete reprocessing and production to Plaintiffs by September 15, 2014. Thereafter, the parties will confer and propose a new briefing schedule.

Wherefore the CIA respectfully requests that the previously proposed briefing schedule (ECF No. 209), be disregarded by the Court and that the parties be permitted to submit a new briefing schedule on September 30, 2014.

Respectfully submitted,

RONALD C. MACHEN JR., D.C. Bar # 447889
United States Attorney
