UNOPPOSED MOTION FOR FURTHER EXTENSION  
TO TIME TO OPPOSE DEFENDANT'S MOTION  
TO STRIKE THE DECLARATION OF ROGER HALL

Come now plaintiffs Roger Hall and Studies Solutions Results, Inc. moves this Court for a further extension of time, to and including September 6, 2007, within which to file their response to defendant's motion to strike parts of the Declaration of Roger Hall. As grounds for their motions, said plaintiffs represent to the Court as follows:

1. Plaintiffs' response to the motion to strike is currently due September 4, 2007.
2. Plaintiffs' response has been delayed by the need to locate, copy and scan numerous voluminous documents and to do legal research on issues which have not generally arisen in his Freedom of Information Act law practice. Additionally, plaintiff's counsel cannot now work with the speed he formerly could because reading most documents now requires the use of a magnifying glass.
3. Defendant does not oppose this motion.

Respectfully submitted,

/s/
