

ECF No. 43. State proposed that the parties would then confer regarding a production schedule and file the instant joint status report on May 19, 2016. The Court granted State's motion by minute order dated May 18, 2016. As proposed described in State's motion, keyword searches of the remaining documents were completed on May 12, 2016.

The parties have conferred regarding a production schedule in this case and are working towards an agreement, which potentially would narrow the FOIA requests at issue. While the parties continue to engage in those discussions, they request an additional seven (7) days to continue those discussions and to file a joint status report by May 26, 2016.

Dated: May 19, 2016

Respectfully submitted,
