NOTICE OF FILING

Come now the plaintiffs, Roger Hall and Studies Solutions Reports, Inc. and give notice of the filing of Attachment 8 and the Declaration of James H. Lesar. These documents should have been attached to plaintiffs' reply to the CIA's opposition to their motion for reconsideration but were not. Plaintiffs' counsel attempted to file these documents with the Reply, but in attempting to download the second attachment a problem developed and the computer kept instructing him to do the same thing over and over again with to result and no exit from the problem except to log out. Counsel logged and and tried again. This time Pacer refused to accept any attachments. As a result, counsel now files them with this Notice of Filing.

Respectfully submitted,

JAMES H. LESAR
