PLAINTIFFS' UNOPPOSED MOTION FOR
ENLARGEMENT OF TIME WITHIN WHICH TO
RESPOND TO DEFENDANT'S SUPPLEMENTAL MEMORANDA

COME NOW plaintiffs Accuracy in Media, Inc., Roger Hall, and Studies Solutions Results, Inc. ("SSRI"), by counsel, and respectfully move this Court for a nine-day enlargement of time, to and including March 25, 2011, within which to file their responses to defendant Central Intelligence Agency's Supplemental Response, which was filed in accordance with this Court's November 12, 2009, Memorandum Opinion and Order.

Defendant Central Intelligence Agency does not oppose this motion.

Memorandum of Points and Authorities

As grounds for the motion, plaintiffs respectfully submit:

1. Plaintiffs' responses to defendant's supplemental filing are currently due on March 16, 1011.
2. Plaintiff's have only recently completed their initial review of the records produced by the CIA.

3. The proposed extension will not postpone the ultimate resolution of this action, as plaintiffs are still awaiting production determination of at least 19 CIA-originated documents that have been referred to other agencies for coordination, as well as an unknown number of non-CIA-originated documents for referral. *See* Supp. Cole Decl. (Docket # 157-1) at ¶ 5.

4. In addition to thousands of pages of records, defendant submitted 31 affidavits, some of which require a response.

5. Counsel for plaintiffs Hall and SSRI recently returned from Singapore and China, and, upon his return, was confronted with several medical appointments, the necessity of learning the intricacies of a new computer, a new word processing system, and a new scanner.

WHEREFORE, plaintiffs respectfully move this Court for a nine-day enlargement of time within which to file their responses to defendant Central Intelligence Agency's Supplemental Response.

Date: March 11, 2011.

Respectfully submitted,
