

and one section of his brief despite a number of unanticipated delays, including interruptions by persons seeking counsel's assistance on an emergency basis, the need to secure help for a problem that shut down his computer for several hours, and difficulties tracking down Vaughn Index descriptions of particular documents due to the fact that the numbers which the CIA assigned to documents described in the voluminous Vaughn index do not appear in numerical sequence but are mixed up and the documents themselves were not OCR'd by the CIA.

3. Counsel also has a needed physical therapy session scheduled for Thursday afternoon, April 7th.

4. Defendant does not oppose this motion.

Respectfully submitted,
