CONSENT MOTION FOR EXTENSION OF TIME  
TO RESPOND TO DEFENDANT'S  
MOTION FOR SUMMARY JUDGMENT

Plaintiffs Roger Hall, Studies Solutions Resources, Inc. (collectively "Hall"), and Accuracy in Media ("AIM") move for an extension of time, to and including October 18, 2016, to respond to defendant's renewed motion for summary judgment.

1. Plaintiffs previously moved for an extension of time, not yet acted upon, to and including October 14, 2016.
2. Since last moving for an extension of time, plaintiff Hall's counsel has been compelled to spend a great deal more time than anticipated on matters pertaining to his leasing of new office and storage space, including review of multiple lengthy leasing agreements and arrangements to have two

huge Penske trucks transport some of materials belong to the Assassination Archives and Research Center to a new location in Frederick, Maryland.

3. Both Hall's counsel and AIM's counsel been working together to complete the brief, and substantial progress to that end has been made. In view of the foregoing, a further extension of two business days is needed.

4. Defendant does not oppose this motion.

Respectfully submitted,
