PLAINTIFFS’ NOTICE OF FILING

Come now plaintiffs Roger Hall and Studies Solutions Results, Inc. (collectively referred to as “Hall”) and give notice of the filing of Att. 1 to Hall’s Opposed Motion to Stay Proceedings, Doc # 298, Petition for Rehearing En Banc, which was inadvertently omitted because the undersigned counsel was unable to access the filing system using his own computer and had to rely on Attorney John H. Clarke to get the motion filed.

Respectfully submitted,
