DECLARATION OF CAROL HRDLICKA

I, Carol Hrdlicka, wife of POW Col. David L. Hrdlicka, do swear and affirm that the following statement is true:

1. In 1994 Orson Swindle, a POW, told me at a meeting in Crystal City that there were propaganda films shown to the POW's at "Little Vegas" Hanoi Hilton. One film was black and white, the other was in color. The film was shown to a small group of POW's in the courtyard where the Vietnamese had made individual "blanket stalls" to separate the POWs.

2. The film was shown on at least two separate occasions. Orson recalls seeing the film of Captain David L. Hrdlicka walking around in front of a cave. The reason Orson knows it was David, his cellmate was an F-105 pilot and he recognized David from the F-105 community.

Date: June 24, 2019.

I declare under penalty of perjury that the foregoing is true and correct.
