MEMORANDUM FOR CHIEF, ACCESSIONAL AND DISPOSAL BRANCH,
WASHINGTON NATIONAL RECORDS CENTER
ATTENTION: Ms. Judith Barnes

SUBJECT: Change in Staging Area

This Agency requests that the location number of Records Group 330, Boxes Number 7 and 11 of Accession Number 70A4443 be changed from the Secret Classification staging area to the Top Secret area and the necessary records be annotated accordingly.

The reason for this request is that Top Secret material that cannot be downgraded by this Agency has been discovered within the box. The Form 135 in this Division has been remarked Top Secret to indicate the change of classification of this accession. Two copies of a continuation sheet to the Form 135 listing the Top Secret material in each box have been generated. One is attached for your signature and subsequent return to this office, and the other is attached for your retention.
