MEMORANDUM FOR Ms. Krista Donnelly, Assistant Director of Classified Operations,  
Washington National Records Center, 4205 Suitland Road, Suitland, MD 20746-8001

SUBJECT: Identification of Sensitive Compartmented Information (SCI) Material

1. The Army Declassification Activity (ADA) has identified several documents within a records collection that contains marked SCI information. The transfer number for the collection is 153-94-0018-DS and it contains a total of 27 boxes of textual media. The SCI material was found in box 9 and 25 of the collection. ADA reviewed all the boxes in the accession and no additional SCI material was found.
2. Mr. Matt Bynum at National Archives II has agreed to take custody of the two boxes that contain SCI and secure them within the SCIF located at the College Park facility. Please provide a SF 135 (Records Transmittal and Receipt) for the boxes to Mr. Bynum and cleared ADA personnel will then transport the records to College Park.
3. If you have questions regarding this action, please contact Ms. Tammy McAfee at [tammys.s.mcafee.civ@mail.mil](mailto:tammys.s.mcafee.civ@mail.mil), or call (703) 617-0076.
