Judith Barnes - Return of Air Force Records to Washington National Record Center (WNRC)

Subject: Return of Air Force Records to Washington National Record Center (WNRC)
CC: (b) (6)

Judy & Ellen

Reference the withdrawal of Air Force (AF) records from WNRC and the transfer of those records to National Reconnaissance Office (NRO) in 2003. Those records, approximately 400 boxes, were returned to WNRC on 15 July 2005. Based on WNRC findings and our telecon agreement, WNRC resources will be used to correct the error (withdrawal versus loan) and return the records to WNRC holdings. Copy of the original withdrawal data has been reconstructed from the Optional Form 11s is attached. Data was compiled in the NARA 0-1 report format (attached Excel spreadsheet). This email authorizes WNRC to expend the necessary resources and to add the cost monthly Air Force bill after the completion. Request a summary of the costs be sent to me at the address below.

Contact me for additional information.
